

Future. Proof.

KPMG Powered Enterprise | Finance
enabled by Oracle

To disrupt you must transform

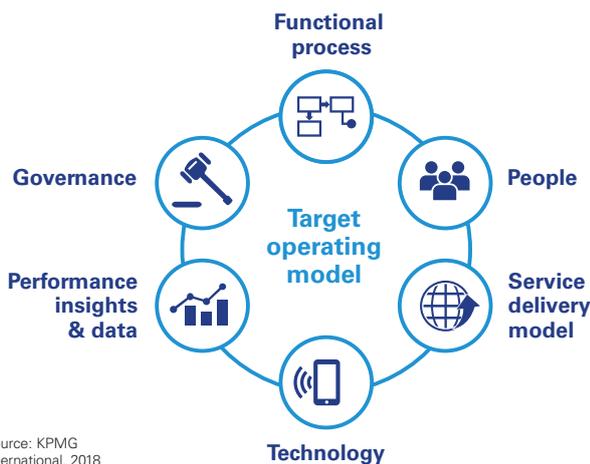

71%¹ of CEOs plan to radically transform their organization’s operating model and more than half say that acting with agility is the new currency of business. CFOs have a crucial role to play in delivering these new strategic priorities.

What you might be thinking about

- How does the finance function need to change to enable business agility?
- How do I help my people embrace the change?
- How do I get more value from my data?
- How do I provide the insight and control to oversee wider innovation and transformation?

Accelerate your business transformation

At the heart of KPMG Powered Finance is a pre-built target operating model that complements Oracle ERP Cloud.

It’s not what you put into the cloud that matters, but what you get out of it

- A jump start to your digital transformation
- Immediate access to leading practices and processes
- Validated solutions with proven real-world usability
- Reduced implementation risks and enhanced ROI
- High-touch change management and employee experience
- A solid platform for continuing evolution and progress

This is the legacy you don’t discard in five years’ time:

what you build today creates the context for what you need tomorrow. What’s more, KPMG teams understand the human factors involved in business transformation, so we can help inspire and empower your people to embrace change.
