

# HR Real Insights

October 2018

Welcome to [HR Real Insights](#). Previously *Real Insights for the People Agenda*, we are unveiling a new look and name while continuing to provide executive insights on current issues and trends that affect your workplace, workforce, and human resources.

## [Employee experience – The evolution of HR’s role](#)

A company’s relationship with its workers must evolve. Learn about HR’s critical role in delivering personalized, human-centric, consumer-like services that are critical to engaging workers, driving productivity, and creating a competitive advantage. [Register for the October 23 Webcast](#).

## [Employees as strategic business partners](#)

Enterprises must move employees beyond transactional support. By developing them into strategic business partners, the focus shifts away from how to get things done to what must be done for an organization’s success—driving value, providing advice, and improving decisions.
